

Investor Briefing Webinar

OD6 Metals Limited (**OD6** or the **Company**) is pleased to advise shareholders and investors that the Company will be conducting a live investor briefing webinar to present an overview of recent progress at the Company's Quinn Fluorspar Project in Nevada, USA - a strategically positioned U.S. critical mineral opportunity.

The webinar will provide an update on the Company's ongoing due diligence process for the Quinn Fluorspar Project in Nevada USA, which is nearing completion, alongside recent exploration success, next steps, OD6's broader critical minerals strategy and the emerging strategic importance of domestic US fluorspar supply amid growing demand across advanced manufacturing, technologies and defence applications.

Following the webinar, OD6 Managing Director and CEO, Brett Hazelden will co-host a live interactive Q&A session alongside Geological Advisor – Dr Darren Holden.

The Company invites shareholders, investors and media to participate in this online event by registering via the link below:
